Designer's choice

Tanova Designer Series 2 - luxury fully enclosed system supplied complete with slimline soft close Simlead drawer. Upspec with the innovative 'everactive' push to open option, allowing you to nudge the unit open a little more from a partially open position, great when your hands are full, oily or sticky.

Contemporary
(and practical!) dark grey
with charcoal buckets

White:
always a classic

Complete package

For cabinets from 300mm to 600mm wide, Designer Series 2 units come complete with premium slimline Simlead D drawer (185mm), drawer back, base panel sides and buckets

Luxury looks, premium performance

Fully enclosed, streamlined system (smooth sides for easier cleaning!) on heavy duty 70kg carrying capacity drawer slides

Contemporary colour

Modern Umbra Grey frame with Charcoal bucket combination (With Classic White also available on the most popular models)

Function plus

Your choice: soft close or soft close with push to open

Give it a nudge

Innovative 'everactive' push to open means an open unit can be nudged open a little more with your knee (so helpful when hands are full or dusty)

Engineered for **simplicity.**

At Tanova, we're not great fans of gravity lids. We have been there.

We believe that gravity lids add complexity and, given that any odour is apparent only when the bin is open, that the drawer front on your waste bin system seals odours just as effectively as a gravity lid (and avoids the need for yet another cleaning task.)
