DREAM

Looks and
performance.

Smooth.

Tanova Designer Series
premium fully enclosed system.

Concealed
Waste & Laundry
Systems

Now you see it ...

Tanova Designer Series - premium fully enclosed system with models for several cabinet widths and a large variety of bucket configurations. Built on quality soft close, smooth sliding runners, and made to attach to your cabinet front for instant shutting away.

Contemporary
(and practical!) dark grey
with charcoal buckets

White:
always a classic

Softly softly

Quality 60kg load capacity drawer slides with soft closing and integrated cushioning for effortless opening and closing

Low-maintenance

Streamlined design for easier cleaning

Contemporary colour

Modern Umbra Grey frame with Charcoal bucket combination (With Classic White also available on the most popular models)

Easy rear bucket removal

Overextension runners extend further beyond bench edge to allow rear bucket removal without having to remove front bucket first

Size selection

Models for cabinets from 300mm to 800mm wide, some with category-leading capacity for cabinet size

Now you see it ...

Designed to attach to your cabinet front; access with just one action, slide away with ease

Engineered for **simplicity.**

At Tanova, we're not great fans of gravity lids. We have been there.

We believe that gravity lids add complexity and, given that any odour is apparent only when the bin is open, that the drawer front on your waste bin system seals odours just as effectively as a gravity lid (and avoids the need for yet another cleaning task.)
