

A modern kitchen cabinet with a built-in waste and laundry system. The cabinet is white with a wooden countertop. The built-in unit is a light beige color and has the brand name 'TANOVA' printed on it. The unit is designed to fit seamlessly into the cabinet structure.

TANOVA

PROVEN PERFORMER

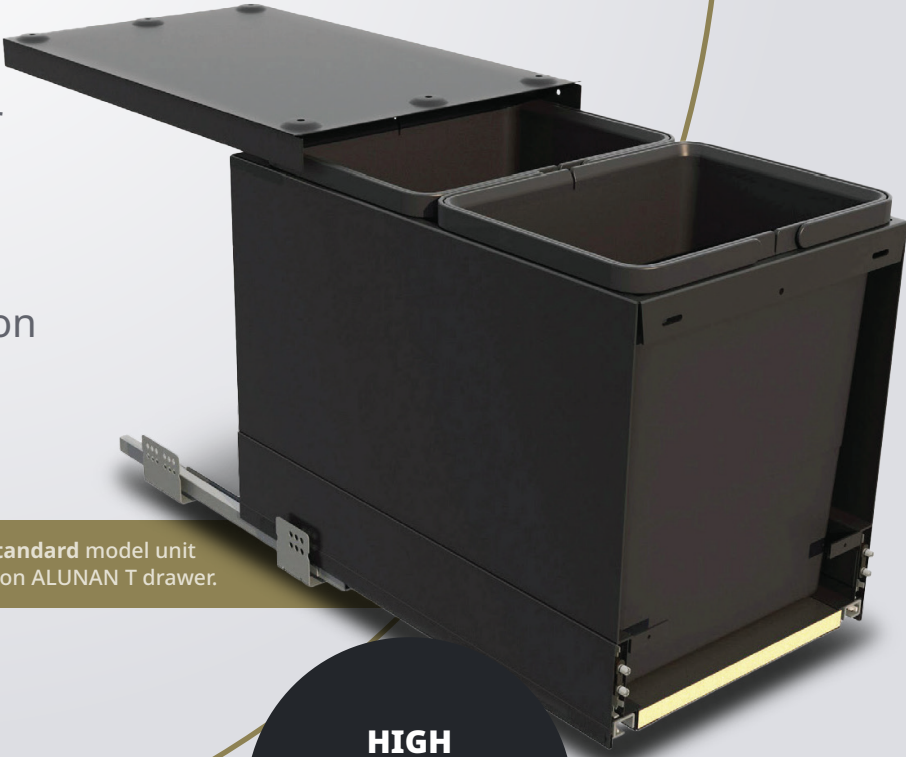

Designed to fit. Simple.

Tanova FLEX works seamlessly with slimline soft close drawers, installs in minutes with zero assembly, and delivers strong, hygienic performance that's built to last.

Long frame models allow easy rear bucket removal on standard extension runners.

* This H measurement is the total space required from top of drawer side to underside of top of cabinet. Excludes drawer side (which varies from brand to brand).

Engineered for simplicity.

At Tanova, we're not great fans of gravity lids. Given that any odour is apparent only when the bin is open, we believe the drawer front on your waste bin system seals odours just as effectively as a gravity lid (and avoids the need for yet another cleaning task.)

Top cover panel is now optional.

**ZERO
ASSEMBLY
5 minute
installation**

TFBF40218G Standard
Tanova FLEX units include frame, bucket, and top lid panel – ready to place on your own slimwall drawer.

Universal compatibility

Integrates seamlessly with most slim wall soft-close drawer systems, including tip-on and servo-drive mechanisms.

5-minute installation

Zero assembly. No templates. Simply place and secure.

Low-maintenance design

Easy to clean in situ with no dirt traps or hidden crevices.

No loose parts

Designed with flat easy-to-wipe surfaces

Colour-matched options

Available in Silk White and Umbra Grey for 300mm, 350mm, 400mm and 450mm cabinets.

Optimised for 500mm depth

Designed for 500mm deep cutlery-height drawers to maximise value and control costs.

Optional lids.

Without a top lid panel to act as bucket cover, you may wish to order bucket lids separately.
