Designer's choice

Tanova Designer Series 2 - luxury fully enclosed system supplied complete with slimline soft close Simlead drawer. Upspec with the innovative 'everactive' push to open option, allowing you to nudge the unit open a little more from a partially open position, great when your hands are full or wet.

Two basket models with two white hampers or with one white and one grey.

White:
always a
classic

Complete package

For cabinets from 350mm to 700mm wide, Designer Series 2 laundry systems come complete with premium slimline Simlead D drawer (185mm), drawer back, base panel sides and hampers

Luxury looks, premium performance

Fully enclosed, streamlined system (smooth sides for easier cleaning!) on heavy duty 70kg carrying capacity drawer slides

Convenient colour

Frames are in classic white. Models with two hampers may be ordered with both hampers in white or, to aid with pre-wash sorting, one hamper in white and one in dark grey

Heavenly hampers

Tanova laundry hampers are made in New Zealand and feature vented sides to aid air flow, a solid base to catch drips and comfy handles for easy carrying

Function plus

Your choice: soft close or soft close with push to open

Give it a nudge

Innovative 'everactive' push to open means an open unit can be nudged open a little more with your knee (so helpful when hands are full or dusty)
