Enclosed runners
for easy cleaning.
Easy price too!

That's a plus.
Or two.

Tanova Simplex Plus Laundry systems offer the best of both worlds – enclosed runners for streamlined looks and easier cleaning while remaining well-priced.

Best of both worlds

Tanova Simplex Plus offers the best of both worlds – enclosed runners for streamlined looks and easier cleaning while remaining well-priced.

Marvellously modular – options for popular cabinet widths – 400mm and 450mm

Family sized – options with two 36L hampers for busy households. Both hampers in white or one white and one grey.

Strong and stable

Heavy gauge steel carriage plus 30kg soft close undermount slides provide strength, durability and stability.

Enclosed runners

Simplex Plus frames enclose the runners for streamlined looks and easier cleaning.

Classic white

Simplex Plus laundry systems feature a white frame for a clean, classic look. Powder coated steel hampers are also white. For models with two plastic hampers, you choose; both white or one white and one grey.

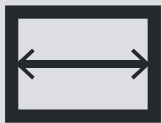

Super-sized

Simplex Plus units are designed for wider modular cabinets; 400mm and 450mm wide.

RETROFIT-READY

Tanova Drawer Insert

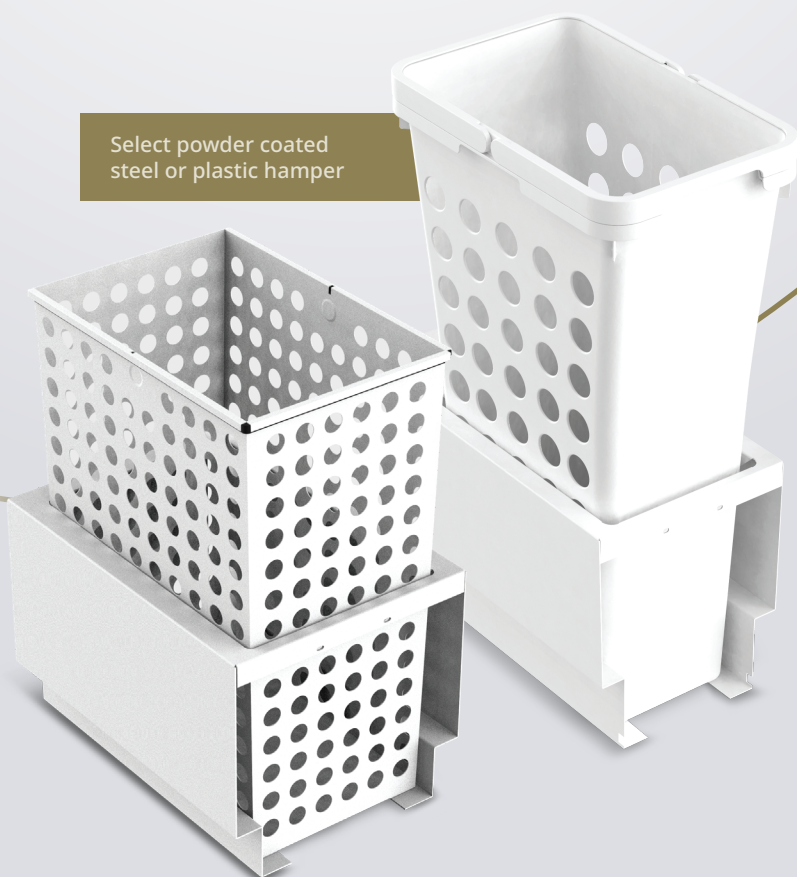

Laundry systems are ideal for retrofitting. The frame and buckets sit atop your drawer, giving all the convenience of a pull out hamper without a complex installation process.

Tanova Drawer Insert systems are ideal for retrofitting. Sitting on your drawer, they provide the convenience of a pull out kitchen waste bin without a complex installation process.

Options compatible with Legrabox drawers

Select powder coated steel or plastic hamper

Simple but strong

A simple but strong powder coated steel frame inserts into your drawer, holding buckets, provided complete with lids, in place.

Colour combos

Most Tanova Drawer Insert Systems feature a white frame and hampers in white. Models designed for Legrabox have two hampers; you choose whether they're both white or one white and one grey.

Size selection

With frames to suit modular cabinets from 300mm to 600mm wide, there's a Tanova Drawer Insert System to suit you!

Widely compatible

Sized to fit into most drawer brands, there's also models designed specifically for compatibility with Legrabox drawers.
